RSA Course

Some members were unable to attend the Responsible Serving of Alcohol Course on July 30th and

have expressed an interest in doing the course at a later date.

Ian Blencowe will organize another course later this year, possibly November.

The course is open to all and would be an advantage to school leavers in getting employment.

be responsible for timing and communications.

Carrum 1, the start boat, may be crewed by only two members while Carrum 2, the course laying boat has two or three.

An additional position of emergency Duty Crew has been created and this person should come prepared to sail or for duty if required. This **does**

not mean there is no need to organize a replacement if you are unavailable. It is **your responsibility** to organize someone to take your place. Contact the Race Officer for assistance in organizing a replacement or advising of alteration to roster.

It is expected that those doing duty Pre-Christmas will not be called upon Post-Christmas.
